Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 16 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Coastal showers, long periods of sunshine. Cold overnight with frost.

Today:
Fine, sunny but cold start for most. Some patchy cloud will develop, and there will be some showers near the east coast, but many parts will stay dry and sunny throughout. Feeling warm in the sunshine with light winds. Maximum temperature 12 deg C (54 deg F).

Tonight:
Clear skies and light winds overnight allowing another sharp frost to form inland. Mist and freezing fog patches forming in prone locations. Minimum temperature -4 deg C (25 deg F).

Saturday:
A similar day to Friday with a cold start and short-lived odd mist and fog patches. Plenty of sunshine and feeling warm with light winds. Another sharp frost overnight. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:
Dry with sunny spells and variable cloud through Sunday and Monday. Cold overnight, with frost and fog. Daytime temperatures just above normal. More cloud and the odd shower on Tuesday.
